Press Release: 15.05.2017

TORTILLA ROLLS IN TO KINGSTON UPON THAMES

Tortilla, the local Californian burrito and taco restaurant brand known throughout the UK for their fresh ingredients and healthy alternative to Mexican fast-food, opened the doors to their 33rd restaurant in Kingston Upon Thames on Sunday 14th May, 2017.

The 1,500 square foot restaurant is located on the first floor of the Bentall Centre and can seat up to 55 guests. The store design embraces the authentic Californian elements commonly found throughout the Tortilla estate, from the reclaimed timber walls to the brushed steel feature lights and cages. Tortilla's menu pays homage to Mexican street food inspired by San Francisco's Mission District. Whether it's a grab-and-go lunch, dinner with friends or a few sneaky Coronas, Tortilla aims to serve the best quality burritos and tacos in the UK.

Richard Morris, Managing Director of Tortilla comments; "We are delighted to be opening our latest store in the Bentall Centre, Kingston. This site has been a long time in the making and we are excited to have finally opened our doors to the Kingston public.

We are well represented in and around this area already, with restaurants in Hammersmith, Richmond, Clapham, Wimbledon and Guildford - all who are loving our burritos and tacos and we know we'll be a Kingston favourite in no time."

Tortilla is offering a two for one opportunity on all mains during opening week.

The Kingston Upon Thames store is Tortilla's 33rd store in the UK which opened on the 14th May, First Floor, Bentall Centre, Wood Street, Kingston Upon Thames, KT1 1TP
